

the DOG AND EWE @Hood Farm

2024 HERDING LESSON AGREEMENT

Lessons will take place at Hood Farm – 610 Wellman Road Ashville, NY 14710 thedogandewe@gmail.com
Instagram: [the.dog.and.ewe](https://www.instagram.com/the.dog.and.ewe)

WHEN: Classes will be on Saturday as my schedule allows from 11-1 or Wednesday evenings. A lesson is 2 hrs and will be shared with other participants.

Note – you or your dog will not be working livestock the full time. Even though you may not work your dog the full amount of time, there will be times that the lesson just requires you to put time in and not your dog. Sometimes you may be working a more advanced dog to acquire skills before you work your own dog, helping out with another student and their dog or watching a demonstration of the skill we are working on. You will get multiple lessons on livestock throughout the lesson time frame.

CLASS FEE sheep/cattle fee- \$65. Private Lesson \$100. Pre-payment before first lesson is required.
**Paypal at jean464creates@gmail.com or Venmo @Jean-Barrett-3 NO REFUNDS unless I need to cancel and refunds will be made or transferred to the next lesson date...OR .. a replacement team can be found to take your place or transfer to a future date.

First time students are encouraged to buy and read my book, HERDING PRIMER. \$35. Order Form included in this file.

Class may be cancelled due to lack of participants, extreme heat, wet weather, too muddy, too icy or some other unknown. Those classes will be made up at the next available lesson day. Make up classes can be arranged.

We will be working primarily with sheep. Cattle can be arranged to be worked with advance notice. Sometimes cattle will not be available, be prepared to work sheep.

RENTAL TIME: Livestock rental is available at limited times. A simple proficiency must be shown in order to have access to stock and fields. Expect supervision your first few times. Students – free on day of lesson. \$35 sheep/cattle. All others \$50 sheep/cattle.

WHAT TO BRING: The waiver, portable chair, and your dog. Water for you and your dog. Your typical training tools and food/toy treats. Plain buckle collar is fine. A leash of at least 6' long or longer. The leash should be thick enough to hold back your dog. No fine leather or nylon leashes that could break under strain or rip out of your hand easily. Gloves may be a good idea, too. I have some appropriate leashes to borrow if you do not.

HERDING PRIMER

GLOSSARY, TERMS & CONCEPTS

Discover the mysteries of working livestock with your dog. This book was designed for the beginner enthusiast. HERDING PRIMER will take you through the wide range of terms used in herding livestock. In depth coverage of many concepts are easily understood with the many illustrations and photographs.

The HERDING PRIMER is not a tutorial on how to train a stockdog. It is a book that details many of the subjects that will help you understand what is going on with the dog, with the livestock and of course the handler during a herding session. Herding Primer covers many subjects such as: basic terms, what is pressure and how it influences everything, how to use a stock stick to communicate with your dog and the concepts of driving and flanking. That is all in the first part! The second part deals strictly with why animals behave the way they do, why your dog does or does not do something and how your behavior and body language influences it all!
